Examiner's amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the Attorney Stanley Weinberg at (610) 993-4210 on April 14, 2005.

The application has been amended as follows:

Claim 10, line 7, please insert (after "the joint") -- substantially in an axial direction of the fiber optic unit --.

Claim 16, line 7, please insert (after "the joint") -- substantially in an axial direction of the fiber optic unit --.

Claim 18, line 6, please insert (after "the photosensor") -- substantially in an axial direction of the fiber optic unit --.

Claim 14, line 2, please delete "15. (Original) The device of claim 12, wherein the flexible backing is formed from a paste material."

Claim 15, line 1, please delete "deice" and insert -- device--.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

None of the references discloses alone or in combination a method and an apparatus for mounting a fiber optic unit to a photosensor, comprising a force applying means coupled to the photosensor and the fiber optic unit for applying a compression force to the joint substantially in an axial direction of the fiber optic unit to strengthen the bond between the fiber optic unit and the photosensor, in combination with the remaining claimed limitations.

Claims 1-19 are therefore allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
